Foreword

The 'BAHA'I' - Prescription for the Political - economic and Social 'ailments' of the World of Today, as so well expounded in this book "BAHA'I SOLUTION to Burning World Problems" by Dr H.M. Munje of Kanpur is of Compounded with Sincerity and loyalty to One's own Conscience and to the fellow beings in this world who are all Children of God belonging to one family - there is hope to establish Everlasting peace and happiness to mankind.

The Great "BAHA'-U-'LLAH Conceived of his this prescription over one hundred twenty years ago with the noble aim of promoting unity in all aspects of the life of human Community, to Create a One World order - with a One World Government. To quite some in this materialistic world this aim may sound to idealistic - and too much of a dream and so, not one that can be achieved - but - There is happily

Evidence - however small though it may be - of the growth of a new world thinking desiring for more Spiritual and moral guidance in life - and the BAHA'I message gives this.

The value of 'BAHA'I' teachings to mankind - to work for world Peace - has been ably expressed by many of our Eminent and great thinkers whose opinion have been reproduced in this book

To any one who is in Quest for a "formula" to help him work and others for establishing peace in the world - this book will give him some precious food for thought and guidance
